*The amount of music in live streams and simultaneously available recordings is calculated. If the exact same content is being			
**FM and/or webcasting broadcasts			
Synchronisation surcharge			
A synchronisation surcharge must be paid if music is added to a (self-produced) video or a live stream that contains music is video-recorded for later viewing.			
Synchronisation surcharge: 20% added to the price of a category		Added to the monthly price of a license.	
		E.g. category M: 101.50/month + 20 % synchronisation surcharge 120.30/month = 121.80/month.	
VAT of 10% is added to the prices.
